

MICHELLE SEMAN

semanmichelle@gmail.com | 231-499-5650 | Williamsburg, MI 49690

Summary

Avid learner, book lover, and forever curious. I'm a librarian and archivist making the career transition to web developer. I'm drawn to projects that make people's lives more enjoyable or easier in some way. As a librarian, one of my favorite aspects is connecting users to knowledge. I'm excited to work and continue developing my programming skills to connect people to knowledge through a new medium.
